## GUIDELINES FOR HACKDIWAS

---

### REGISTRATION

- **How do I register for HackDiwas?**

Students can directly register themselves by clicking on HackDiwas website (<https://uuhackdiwas.in/>) after submitting registration fee.

### TEAM FORMATION

- Participants must be currently enrolled as students in any college within Prayagraj, India. Members from different departments within the same college or institute are encouraged to form a team.
- Each team must consist of a minimum of one member and a maximum of 4 members, including the team leader.
- In the software-focused segment of the hackathon, which centers on digital product creation, it is imperative that the bulk of the team possesses strong programming capabilities. For the hardware-centric edition, we advocate for teams with a diverse skill set, encompassing expertise in Mechanical Engineering, Electrical Engineering, Product Design, Programming, and related disciplines.

### IDEA SELECTION CRITERIA

- Post Idea submission process, the ideas will be evaluated by experts. Evaluation criteria will include novelty of the idea, complexity, clarity and details in the prescribed format, feasibility, practicability, sustainability, scale of impact, user experience and potential for future work progressions.

### SHORTLISTED IDEAS ANNOUNCEMENT

- After stage of pre-screening of submitted ideas notification about selected teams will be put up on our portal on 22nd April and will also be sent to their respective email IDs.

### MODE OF HACKATHON

- HackDiwas will be held offline at United University and teams must present at center. The dates for the hackathon are **24th** and **25th** of April 2024.
